CHAPTER III.

Rules relating to Deputy Collectors.

*"1. Every person appointed to be or to act as Deputy Collector without having passed the Departmental Examinations prescribed for graduates and non-graduates is required to pass the Departmental Examination, Higher Standard, and an examination in the vernacular of the district, according to the standard prescribed for Assistant Collectors, within one year from the date of taking charge, or at the first examination held after the expiration of one year from such date. On failure so to pass, a deduction of 10 per cent. will be made from his salary until he shall have passed the examination. Until the above examination shall be passed, the person appointed will be shown in the Civil List as a probationer, and on failure so to pass within two years from the date of nomination he will forfeit his appointment.

*"2. A Native Deputy Collector will not be required to pass an examination in his own vernacular language, but if he be appointed to a district the vernacular of which is different from his own, he will have to undergo an examination in the language of the district.

NOTE.—For the purpose of this rule, Eurasian candidates are Native candidates."

3. A Deputy Collector will not be required to answer the paper on Survey and Settlement matters† and the paper on the Registration and Stamp Acts and the rules laid down thereunder, nor to produce the certificate referred to in Chapter I, Section I, Rule 14, sub-para. 2 (*b*).

4. A Deputy Collector who is appointed to and joins his appointment in a district of which the vernacular is not his own language, must be required, irrespective of the length of his previous service, to pass in the vernacular of that district within one year from the date of his joining his appointment, and that if he fails to do so the deduction prescribed in Rule 4, Section I, Chapter I, should be made from his pay. [Government Resolution, Revenue Department, No. 1057, dated 9th February 1889.]

Proviso.—Any Deputy Collector of more than 40 years of age should be exempted from passing an examination in the language of the district, provided it can be certified that he already possesses a sufficiently good practical knowledge of the language for the efficient performances of his duties. [Government Resolution, Revenue Department, No. 9570, dated 28th November 1905.]

CHAPTER IV.

‡*Rules relating to the examination of Mámlatdárs and District Inspectors of Land Records in Vernacular Languages.*

§1. The Secretary to the Civil and Military Examination Committee is authorized to admit candidates permitted by the Collectors to appear for examination (according to the Higher Standand) in any of the vernacular languages. Permission should, however, be granted by the Collectors only to those candidates who are qualified under the rules for promotion to a Mámlat. As regards candidates in the Belgaum, Bijápur and Dhárwár Districts, whose mother-tongue is Kánarese, the Collectors of the respective districts are authorized to test, with the help of their Deputy Collectors, the candidates proficiency in Maráthi and grant certificates if they are satisfied with the candidates' knowledge of Maráthi for all practical purposes.
